

STATINTL

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

May 1976

Dear Chuck:

STATINTL

It was a delightful letter you sent on the occasion of my new assignment as Deputy Director of Central Intelligence. It took me back to great days in Mt.

 when we were a pretty successful duo on the tennis courts.

The new assignment will be a tough one. We have been through a lot in this great Agency in the last year or so. Problems are likely to be a feature of our future, but there will be more opportunities than difficulties I am sure.

All the best.

Faithfully yours,

E. H. Knoche
